I Am a Democrat Because...

We need your submissions for our social media video campaign!

Please record yourself and send the video to Steve at: dcdp3rdvicechair@gmail.com.

Please adhere to the following guidelines:

- Videos may be shot on any device or medium. I recommend just using the camera app on your phone, but feel free to record on your computer, a traditional camera, etc.

- Videos should be submitted to me via e-mail (dcdp3rdvicechair@gmail.com). Please include with your submission the following information: name, profession/community involvement, and when you first moved to Durham (this info will be shown in a caption during your video).

- Videos can be as short as one sentence, but should be no longer than 30-45 seconds. That is enough time to say 4-5 sentences. Longer submissions will be edited for length.

- Content should be positive and affirmative about the Democratic Party, not an explicit contrast or criticism of the other party or the President. Videos that do not adhere to this will either be edited or not used.

- Specific content is yours to determine, but please begin with "My name is __________, and I am a Democrat because..."

- Your story can be based on policy ("I am a Democrat because I believe health care is a human right...") or personal anecdote ("I am a Democrat because, when I was 17 years old, local Democratic leadership got me involved in a voter registration drive and I met so many people who were committed to raising up the voices of their neighbors..."), a specific moment in history ("..."), etc.

- If you need help recording your video, just send me an e-mail and we'll schedule a time to meet so I can record you.

- Please watch your own video before submitting to make sure that the sound quality is decent and that you are satisfied with the content.
